Family coverage: Children enrolled with a parent can be covered at the dependent child rate up to age 30. Any dependents under age 18 will not be enrolled until at least one parent or legal guardian has reached an approval status and accepted coverage. When children no longer qualify for the dependent child rate, they can transition to their own contract on the same product and deductible without having to pass medical underwriting again.

Family coverage: Children enrolled with a parent can be covered at the dependent child rate up to age 30. Any dependents under age 18 will not be enrolled until at least one parent or legal guardian has reached an approval status and accepted coverage. When children no longer qualify for the dependent child rate, they can transition to their own contract on the same product and deductible without having to pass medical underwriting again.

Monthly Premium Rates | Effective October 1, 2011 through December 31, 2011

Rates shown are Preferred rates for individuals who do not use tobacco. You may be assigned a non-Preferred rate based upon the results of the underwriting process. An added surcharge will also apply for tobacco users. Non-preferred rates are higher than Preferred rates. Rates on this premium summary are not guaranteed and are subject to change.

Family coverage: Children enrolled with a parent can be covered at the dependent child rate up to age 30. Any dependents under age 18 will not be enrolled until at least one parent or legal guardian has reached an approval status and accepted coverage. When children no longer qualify for the dependent child rate, they can transition to their own contract on the same product and deductible without having to pass medical underwriting again.

Family coverage: Children enrolled with a parent can be covered at the dependent child rate up to age 30. Any dependents under age 18 will not be enrolled until at least one parent or legal guardian has reached an approval status and accepted coverage. When children no longer qualify for the dependent child rate, they can transition to their own contract on the same product and deductible without having to pass medical underwriting again.
